

Dear Local Business Owner,

The Santa Barbara Sharks Football League is making changes with a new vision under President, Jalen Roberson, a Varsity Offensive Line Coach and mentor at Santa Barbara High School and longstanding board members who generously give their time.

We are currently looking for local businesses in our amazing community to sponsor our organization. Santa Barbara Sharks Football are classified by the IRS as a California non-profit 501(c)(3) corporation. We are run entirely by amazing volunteers and 100% of all monies, donations, grants, fees, and sales go directly into the program.

Our registration fees alone do not cover the costs associated with running the youth football program and most importantly no child in financial need will ever be turned away. Your generous donation is used to help with league expenses such as purchasing uniforms, football equipment, insurance, field usage, referee fees and more.

Football has been one of the cities greatest sports for many generations and builds a solid foundation for our local youth with instilling community, leadership and integrity.

If you are willing to donate, please make your donations payable to Santa Barbara Sharks Football.
